**Eastern Section, American Association of Petroleum Geologists  
2016 Annual Meeting  
Lexington, Kentucky**

ES-AAPG 2016, c/o Ky. Geological Survey  
2500 Research Park Dr., Lexington, KY 40511

Welcome to the 2016 ES-AAPG web site, where we hope you will find all the information you need about the annual meeting, September 25-27, at the Lexington Convention Center. We are looking forward to your visit to the heart of the Bluegrass State.

Our organizing team is working hard to plan a cost-effective meeting that will be relevant in this challenging business climate. We will have a diverse program of workshops, technical sessions, exhibits, field trips, guest activities, and evening social events. This region, known for thoroughbred horses, striking scenery, and competitive UK college basketball, has plenty to offer visitors. The variety of world-famous bourbon whiskeys distilled in the region inspired our choice for the 2016 meeting theme of Basins to Barrels.

Browse the pages of our web site to find the call for abstracts and submissions, our agenda, and hotel reservations at the Lexington Hyatt Regency. Feel free to click on the "contact" e-mail addresses if you have questions about any aspect of the meeting.

We encourage you to consider reserving exhibit space, sponsoring meeting events, making a presentation, setting up a poster for the gathering, or just enjoying all that Kentucky has to offer.

We'll see you in September!
