--	--

YEAR 4

ENG course at 400 level Science/Math Science/Math UK Core SIR Science/Math Science/Math Total Credits: 18	ENG 507 + portfolio submission *ENG course above 407-level (ENG 495 for Honors in English) *300+ Course outside ENG in allied program Science/Math Science/Math A&S SS Total Credits: 18
---	--

- ‡ Incoming students are strongly encouraged to take WRD 112 to fulfill the CC1 and CC2 requirements if they have any of the following: an ACT English score of 32 or Higher, an SAT Verbal score of 720 or Higher, or an AP English Composition score of 4 or 5. If the Student has been accepted into the University Honors Program, the Student is required to take WRD 112 to fulfill CC1 and CC2.
- * To be discussed with your academic advisor.
- † Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4th semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements - French, German, Greek, or Latin is recommended.
- ◊ 6 hours of 'free' electives - that do not count toward any other requirement - must be taken. Additional electives may be required to reach the required minimum of 120 hours. Consider pursuing a 2nd major or minor.
- Major Elective credit at the 200 level is restricted to: two additional ENG Historical Surveys that are not counted toward the Historical Survey requirement; plus two of the following: ENG 207, ENG/LIN 221, ENG 260, ENG 280, and ENG 290. Otherwise electives must be at the 300-500 level.
- **Many People, One Community:** The college of Arts & Sciences requires its students to complete an approved course related to Many People, One Community. Students may double-dip courses to satisfy the MPOC requirement with any other requirement, e.g. UK Core, college requirements (except the A&S Electives), or major requirements.
