Members, Board of Trustees:

DELETION OF DEGREE – COLLEGE OF EDUCATION

Recommendation: that the Board of Trustees approve the deletion of the Master of Arts in Education degree with a major in Education – Distributive Education (CIP Code 13.1320, PROGRAMS MAEDU EDED), effective fall 2011 semester.

Background: The consolidation of academic programs in Agriculture, Vocational Education, and Human Environmental Sciences and the movement of faculty from the College of Education resulted in the Board of Trustees approving the dissolution of the Department of Vocational Education at its April 4, 1995 meeting. All students have since matriculated through the program, and the degree is being deleted.

This proposal has the approval of the Graduate Council, Senate Council, and University Senate. The provost of the University supports this recommendation.
