Office of the President
December 15, 2015

Members, Board of Trustees:

CANDIDATES FOR DEGREES: DECEMBER 2015

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled, upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the elected faculty of the University Senate and the Academic and Student Affairs Committee of the Board of Trustees.

Background: Since the University of Kentucky will hold the December Commencement ceremonies immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to the ceremonies for those candidates who complete their requirements in December.

For details on degree candidate listings,
please contact Sean Cooper
Registrar's Office
Room 10 Funkhouser Building
