

ASACR 10

Office of the President
June 24, 2016

Members, Board of Trustees:

REVISION TO CODE OF STUDENT CONDUCT

Recommendation: that the Board of Trustees approve the attached revision to the *Code of Student Conduct*. The Academic and Student Affairs Committee of the Board reviewed the proposed revision and recommends approval of the revisions to the Board of Trustees.

Background: The *Code of Student Conduct* (“Code”) documents the University’s rules, procedures, and responsibilities related to non-academic student conduct. The *Code* defines expected and prohibited behavior, and specifies the procedures to which students and student organizations are entitled in the disciplinary process. The *Code* also specifies the sanctions that may be imposed when a student or an organization is found responsible for a violation.

The last complete review of the *Code* occurred in 2009-2010, culminating in a new *Code* effective July 1, 2010. To maintain a *Code* that remains current with national best practices and complies with federal and state laws, and University regulations, the *Code* must undergo regular and thorough review. The revisions are intended to:

- Ensure that the *Code* and procedures are in compliance with recent interpretations of Federal and State law (e.g., the Clery Act, Title IX, policies issued by the Office of Civil Rights);
- Incorporate recent changes to Administrative Regulation 6:2, Policy on Sexual Assault, Stalking, Dating Violence, and Domestic Violence;
- Clarify the judicial procedures associated with alleged violations of the Code; and
- Incorporate the *Code of Student Conduct* into the University’s body of Administrative Regulations.

A copy of the draft *Code of Student Conduct* is attached. The revised *Code* has been reviewed by the Student Government Association and the Regulations Review Committee, and is supported by the President, Provost, General Counsel, and Vice President for Student Affairs.

I. Introduction

The University of Kentucky (UK) is committed to promoting a safe, healthy, student-centered, and inclusive community. UK strives to create an environment where students can engage in academic inquiry and campus life. The student conduct process supports UK's goals by:

1. Promoting personal responsibility and peer accountability;
2. Encouraging Students to consider the impact of their actions on themselves, their peers, and larger UK Community;
3. Empowering Students to address any conflict that may arise in a safe, respectful, and socially conscious manner;
4. Collaborating with Employees, Students, and the UK Community with regard to student conduct matters; and
5. Educating the UK Community about student rights and responsibilities related to the Code.

The student conduct process helps Students learn, mature, and develop greater self-awareness while balancing the needs of the UK community. When student behavior does not model UK's values, the student conduct process is used to uphold the standards of UK.

The Code of Student Conduct (Code) promotes the core values of the UK, including integrity, respect, responsibility and accountability, and sense of community. In doing so, the Code puts into practice the UK Creed.

- I *promise* to strive for academic excellence and freedom by promoting an environment of creativity and discovery.
- I *promise* to pursue all endeavors with integrity and compete with honesty.
- I *promise* to embrace diversity and inclusion and to respect the dignity and humanity of others.
- I *promise* to contribute to my University and community through leadership and service.
- I *promise* to fulfill my commitments and remain accountable to others.

Through the Code, UK affirms the rights and responsibilities of Students as part of the UK Community.

II. Authority

Ultimate authority for managing student conduct is vested in the UK Board of Trustees (Board) pursuant to KRS 164.200. The Board has delegated this responsibility to the President, who has in turn delegated the management and oversight of the Code to the Vice President for Student Affairs (VPSA). The VPSA may delegate enforcement of this Code to the Dean of Students Office. Concerns about the management of the Code may be brought to the Dean of Students or VPSA.

III. Rights of UK Students

Consistent with the federal and state Constitutions and laws, Students have the following rights:

A. Right of Free Expression

A Student has the right to engage in discussion, to exchange thought and opinion, to speak, write, or print freely on any subject, and to join associations in accordance with the guarantees of federal or state Constitutions. Freedom of expression includes the right to picket or demonstrate for a cause, provided the Student:

1. Acts in an orderly and peaceful manner;
2. Does not interfere with normal UK operations;
3. Complies with UK's regulations governing the time, place, and manner of meetings, demonstrations, and other assemblies. (See *Administrative Regulation 9:1 Regulations Governing Time, Place, and Manner of Meetings, Demonstrations, and Other Assemblies* <http://www.uky.edu/Regs/files/ar/ar9-1.pdf>)

Students shall not be disciplined for speech protected by the First Amendment to the U.S. Constitution. UK will endeavor, however, to balance students' rights to free speech with other students' rights to be free from threats and harassment.

B. Right to be Free from Discrimination/Harassment

1. UK complies with the federal and state Constitutions, and all applicable federal and state laws, regarding nondiscrimination. Students and applicants for admission to UK, or for financial aid or scholarship, will not be discriminated against because of race, color, national origin, ethnic origin, religion, creed, age, physical or mental disability, veteran status, uniformed service, political belief, sex, sexual orientation, gender identity, gender expression, pregnancy, marital status, genetic information, social or economic status, or whether the person is a smoker or nonsmoker, as long as the person complies with UK policy concerning smoking. (See *Governing Regulation XIV.B.1* <http://www.uky.edu/regsg/files/gr/gr14.pdf>)
2. Consistent with *Administrative Regulation 6.1, Policy on Discrimination and Harassment*, Students have the right to be free from harassment, including sexual harassment, by UK Employees, and other Students. For purposes of the Code, harassment means conduct so severe, pervasive, and objectively offensive that it substantially interferes with the ability of a person to work, learn, live or participate in, or benefit from services, activities, or privileges provided by UK. Sexual harassment - a form of sex discrimination - includes unwelcome sexual advances, requests for sexual favors, or other verbal or physical actions of a sexual nature when submission to such conduct is made explicitly or implicitly a term or condition of the Student's status in a course, program or activity; or is used as a basis for academic or other decisions affecting such Student; or when such conduct has the purpose or effect of substantially interfering with the Student's academic performance, or creates an intimidating, hostile, or offensive environment. This provision shall not be used to discipline students for speech protected by the First Amendment. (See *Administrative Regulation 6:1* <http://www.uky.edu/regsg/files/ar/ar6-1.pdf>)

C. Right to Privacy in Student Records

1. UK maintains Student records in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974 and the guidelines for implementation. Directory information about a Student is released at the discretion of numerous UK departments upon receipt of a specific request for such information. Information which is Directory information under FERPA concerning a Student will not be released if the Student has filed a request, in writing, with the UK Registrar, stating the information is to be withheld. UK's definition of "Directory Information" can be found at: <http://www.uky.edu/registrar/FERPA-privacy>.
2. UK keeps a Student's disciplinary record separate and confidential unless the Student consents in writing to have it disclosed. However, the Dean of Students may disclose the Student's disciplinary record without the Student's consent if required by law or the safety of people or property is involved, or if the information is required by authorized UK personnel for official use at UK. In these circumstances, only the information pertinent to the inquiry may be revealed.
3. The Dean of Students may act without the Student's consent to have a statement of disciplinary suspension or disciplinary expulsion entered on the Student's academic record for the duration of the disciplinary sanction, which would prohibit the Student from registering. .
4. A Student's test data and record in the Counseling Center will be kept in the Counseling Center, separate and confidential, unless the Student consents in writing to have it revealed to a designated person or for a designated purpose. Without consent, no information will be revealed except to an appropriate authority and then only when there is a clear and imminent

danger to an individual or others, and such information will be limited to that which is directly pertinent to the reduction of that danger.

D. Right to Privacy (Other)

1. A Student has the right to be free from unreasonable searches and seizures of person and possessions while on UK property unless said search and seizure is conducted in accordance with state and federal laws. In cases of imminent danger or when there are reasonable grounds upon which to believe it is necessary to conduct a search immediately in order to protect life or property, searches may be conducted in the presence of the Dean of Students or another University Official acting as the Dean of Students' authorized representative.
2. University Health Service medical, surgical, and mental health records and information are maintained in accordance with the Health Insurance Portability and Accountability Act (HIPAA). Health records are strictly confidential and are not released to anyone without the Student's knowledge and signed authorization. Student mental health records are maintained separately in a confidential file. If it becomes apparent in the course of treatment that the Student is likely to cause injury to self or others, pertinent information regarding the specific situation to this extent may be revealed for protection of the Student or others, and such information will be limited to that which is directly pertinent to the reduction of that danger.

E. Right to a Free Student Press

Student publications are free to deal openly and responsibly with issues of interest and importance to the academic community. The editors have the right of editorial freedom without the prior approval of copy and will be protected against dismissal or suspension or other retribution, except for violations of law or UK regulations.

F. Rights of Students and Registered Student Organizations Involved in the Student Conduct Process

1. To be treated fairly in the student conduct process.
2. For Respondents, to be provided written notice of any allegation or formal charge of the misconduct, as well as a description of the alleged misconduct.
3. For Respondents, to be presumed not responsible for a violation until determined otherwise. The burden of proving a violation of the Code is on UK.
4. To review the information contained in the Student Conduct Report, with all personally identifying information of other Students removed (if appropriate), in advance of a meeting or hearing.

10. To not speak or answer any question during a student conduct meeting. Refusal to do so is not considered admitting responsibility for an alleged violation.
11. To request that a member of a Hearing Board be removed from the hearing based on a conflict of interest or bias.
12. To provide an impact statement(s) for consideration during the restorative action phase of a formal hearing or during a restorative conference.

V. Scope of Code

A. Timing

Each Student is responsible for his or her conduct from the time of enrollment at UK through the actual awarding of a degree. The Code applies to the times including times when UK is not conducting classes. UK may impose discipline for violations that occur before the degree is awarded but which are not discovered until after the degree is awarded. If a Student withdraws while a student conduct matter is pending, the student conduct matter must be resolved prior to reenrollment.

B. Location

The Code applies to behavior that occurs on or off UK Premises. The Code applies at off-campus facilities of Registered Student Organizations, at UK-sponsored or approved activities, and at non-

UK activities. The Code applies at all UK locations, including where UK is extended to distance education, such as study abroad, service trips, experiential learning opportunities, and athletic, club sport, and other group travel. The Code may also be applied to behavior conducted online, via e-mail or through electronic mediums in cases where the behavior is not protected by freedom of expression. UK does not regularly search for online information but may take action if such information is brought to the attention of UK Officials.

C. Guests and Visitors

A Student may be held accountable for the behavior of his or her guests or visitors on UK Premises. Guests and visitors of UK may also initiate referrals for potential violations of the Code committed by Students against them.

D. Reporting Restrictions

There is no time limitation on reporting of violations. Those who are aware of an alleged violation(s) of the Code are encouraged to report it promptly to the Office of Student Conduct or UK Police if applicable.

E. Being in the Presence of Code Violations

In some circumstances, a Student who is present while other Students violate the Code and does not report the violation may also be charged with a Code violation.

F. Attempted Violations

In situations where a Student attempts to engage in action that would violate the Code, but fails to do so, UK may charge a Student with an attempted violation of the Code.

G. Amnesty

Student health and safety are of primary concern at UK. Students who seek emergency assistance on behalf of persons experiencing drug or alcohol-related emergencies will not be charged or sanctioned for violations of University drug or alcohol-related policies. UK will grant amnesty to Students who proactively seek medical help for themselves or others where the help-seeking Student may have been involved in underage drinking or other improper use of alcohol or illegal drugs at the time. For example, a Student who has been drinking underage might hesitate to seek help for another Student who is unable to respond due to alcohol or drug use, or who has been the victim of sexual misconduct. Amnesty will not be granted for other policy violations that may have occurred during the incident (e.g. drug distribution, arson, theft, etc.). Amnesty does not prevent any actions that may be taken by any law enforcement agency, including UK Police.

H. Registered Student Organizations (RSO)

The Code applies to both individual Students and Registered Student Organizations (See *Administrative Regulation 4:1, Registration of Student Organizations*). The following standards will be considered when deciding whether conduct is associated with a RSO:

1. The conduct is endorsed by the RSO or any of its officers (“endorsed by” includes, but is not limited to, the following: active or passive consent or support, having prior knowledge that the conduct was likely to occur, or helping to plan, advertise, or promote the conduct);

2. The conduct is committed during the course of an activity paid for by the RSO, or paid for as a result of one or more members of the RSO contributing personal funds in lieu of organizational funds to support the activity or conduct in question;
3. The conduct occurred on property owned, controlled, rented, leased, or used by the RSO or any of its members for an organizational event;
4. The purpose of the activity was related to initiation, admission into, affiliation with, or as a condition for continued membership in the RSO;
5. Non-members of the RSO learned of the activity through members, advertisements, or communications associated with the RSO, or otherwise formed a reasonable belief that the conduct or activity was affiliated with or endorsed by the RSO;
6. Members of the RSO attempted to conceal the activity or protect other members who were involved; or
7. One or more officer(s) of the RSO had prior knowledge or reasonably should have known that the conduct would take place.

I. Housing and Residence Life Policies

1. Misconduct by Students living in UK owned or controlled residence halls, houses, and apartments is typically addressed by Conduct Officers in the Office of Housing and Residence Life. The standards and regulations for UK owned or controlled residential facilities are contained in the written rental agreement between the Student and UK and in the Residence Hall Community Standards. The Director of Residence Life, or a designee, investigates alleged violations of the rules and regulations outlined in the rental agreement. Management of such cases is conducted in accordance with established and published procedures. A compilation of all rules established under the rental agreement is available to all residents of the facility to which such rules apply.
2. If the behavior or conduct of the Respondent poses a health or safety risk to self or others or might result in suspension or dismissal from UK, the case will be referred directly to Office of Student Conduct. In cases where the alleged violation of the rental agreement might constitute a violation of the provisions of the Code, the Director of Residence Life, at his or her discretion, may refer the case to the Office of Student Conduct.

J. Instructional Setting Behavior

The primary responsibility for managing the instructional setting rests with the instructor. Students who engage in conduct that results in disruption of an instructional setting may be directed by the faculty to leave the class for the remainder of the instructional setting period. A student conduct meeting as outlined in this Code must precede longer separations from an instructional setting. Disruptive instructional setting behavior is any behavior that in the judgment of the instructor substantially interferes with the conduct of an instructional setting, including but not limited to:

1. Persistent late arrivals or leaving early in a manner that disrupts the regular flow of the instructional setting;

2. Talking while the instructor or other Students are talking or speaking in an instructional setting without first obtaining recognition and permission to speak; or

P. Interim Suspension

In certain circumstances, the Vice President for Student Affairs (VPSA) may impose an interim suspension from UK Premises upon receiving a complaint and prior to the completion of the student conduct process. An interim suspension may be imposed to:

1. Ensure the safety and well-being of members of the UK Community or preserve UK property;
2. Ensure the Student's own physical or emotional safety and well-being; or
3. Ensure that normal operations of UK are not disrupted.

Q. Disciplinary Suspension

Disciplinary Suspension is the separation of the Student from UK for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

R. Disciplinary Expulsion

Disciplinary Expulsion is permanent separation of the Student from UK.

VIII. Code Interpretation, Revision, Procedures

A. Interpretation

Any question of interpretation or application of the Code will be referred to the General Counsel for final determination.

B. Review and Revision

The Code will be reviewed at least every five (5) years under the direction of the VPSA. The Code shall be amended only by final action of the Board of Trustees.

C. Procedures

The President, with the advice of the VPSA, is authorized to develop and adopt procedures for the management of the Code. (See Appendix)

INDEX

- I. INTRODUCTION
- II. INITIATING THE STUDENT CONDUCT PROCESS
- III. INTERIM SUSPENSION
- IV. INFORMAL RESOLUTION OPTIONS
- V. FORMAL RESOLUTION
- VI. APPEALS TO THE UNIVERSITY APPEALS BOARD
- VII. PROCEDURES FOR NONPAYMENT OF FINANCIAL OBLIGATIONS

I. INTRODUCTION

These procedures are designed to provide fair and unbiased management of the Code of Student Conduct (Code). The procedures outlined below cover the standards of conduct as described in the Code.

These procedures **do not apply** to cases involving *Administrative Regulation 6.2, Policy on Sexual Assault, Stalking, Dating Violence, and Domestic Violence*. Procedures for complaints regarding violations of AR 6:2 can be found at: <http://www.uky.edu/regs/files/ar/AR%206-2.pdf>.

II. INITIATING THE STUDENT CONDUCT PROCESS

A. Reports and Investigations

1. The Office of Student Conduct accepts reports of alleged Code violations from any person. All referrals must be submitted in writing. The referral should contain as much information as possible to enable UK to address the complaint.
2. Reports of harassment or discrimination should be made directly to the Office of Institutional Equity and Equal Opportunity. (See *Administrative Regulation 6:1, Policy on Discrimination and Harassment*)
3. Reports of sexual assault, stalking, dating violence, or domestic violence may be reported to UK Police or other appropriate law enforcement unit in the location where the violation occurred, the Violence Intervention and Prevention Center (VIP), the Dean of Students Office, the UK Title IX Coordinator (located in the Office of Institutional Equity and Equal Opportunity), or to any UK Official. (See *Administrative Regulation 6:2, Policy on Sexual Assault, Stalking, Dating Violence, and Domestic Violence*)
4. Upon receipt of a report, the Director of Student Conduct (Director), or a Conduct Officer assigned to the case by the Director, will conduct an investigation to determine if there is enough information to support an alleged violation of the Code and, if so, which violations occurred.

5. The Director or Conduct Officer may ask the Respondent to appear at an investigative meeting to discuss the report or gather additional information.
6. If the Director or Conduct Officer decides the report lacks merit, the report will be dismissed. Appropriate parties will be informed in writing within two (2) calendar weeks of the dismissal or a timeline for determining the merit of the complaint.
7. Violations of the Code also may be violations of the law. UK encourages Complaining Witnesses to make reports to both local law enforcement agencies and UK. Because the standard of proof required in criminal law is different from the standard of proof required in the Code and UK policy, the result of any criminal investigation does not influence the student conduct process. A criminal investigation will not take the place of a UK investigation, although a criminal investigation may supplement a UK investigation. UK will not wait for the conclusion of a criminal investigation to begin conducting its own investigation or to take interim measures to protect UK or any member of the UK Community or when necessary to initiate hearing procedures as outlined below.
8. When a report could result in suspension or expulsion, or when a restorative conference is inappropriate, the Director or Conduct Officer may send the report directly to a Hearing Board for a formal hearing.

B. Notice and Administrative Measures

1. If a determination is made that a violation of the Code has occurred, the Director or Conduct Officer will notify the Respondent via a Notice of Alleged Code Violation (Notice). The Notice will include a summary of the complaint, the alleged policy violations, the date and time of the hearing, and any interim measures. The Notice will be sent to the Respondent no less than two (2) business days prior to a scheduled meeting.
2. Notices will be sent to the Respondent's official UK email address. For Registered Student Organizations, the Notice will be emailed to the organization's primary representative (typically the President on file with the Office of Student Involvement). Failure to read and comply with the Notice is not grounds for an appeal.
3. The Office of Student Conduct schedules meetings and formal hearings. The time and date of the meeting or formal hearing is determined by each party's class schedule and the availability of the Conduct Officer, Hearing Board members, and witnesses. A meeting or formal hearing will only be rescheduled for good cause as determined by the Director. Prior to any student conduct meeting or hearing, the Respondent and Complaining Witness may contact the assigned Conduct Officer or Director to arrange to review all information relevant to the allegations.

III. INTERIM SUSPENSION

A. Interim Suspension

In certain circumstances, the Vice President for Student Affairs (VPSA) may impose an interim suspension from UK Premises upon receiving a complaint and prior to the completion of the student conduct process. An interim suspension may be imposed to:

1. Ensure the safety and well-being of members of the UK Community or preserve UK

property;

2. Ensure the Student's own physical or emotional safety and well-being; or
3. Ensure that normal operations of UK are not disrupted.

B. Notice of Interim Suspension

Upon taking such action, the VPSA or authorized representative will:

1. Immediately notify the Student in writing of the interim suspension, including the reasons for the interim suspension and appeal rights; and
2. Immediately notify the chair of the University Appeals Board (UAB) of the interim suspension.

C. Appeal of Interim Sanction

A Student may appeal the interim suspension to the UAB in writing within seven (7) business days. The interim suspension remains in effect during any appeal. If requested in the written appeal, a Student will be given an opportunity to appear personally before the UAB within three (3) business days of submitting the appeal. Only the following issues may be discussed at the appeal:

1. The reliability of the information concerning the Student's conduct, including the matter of his or her identity; or
2. Whether the conduct and surrounding circumstances reasonably indicate the continued presence of the Student on UK Premises poses a substantial and immediate threat to him or herself or to others, or to the stability and continuance of normal UK functions.

D. Prompt Disciplinary Hearing

A Student under interim suspension will be given an opportunity for a prompt disciplinary hearing within the UK student conduct process.

IV. INFORMAL RESOLUTION OPTIONS

A. Student Conduct Meeting

1. Respondents may be provided with an informal meeting to resolve the allegations. Meetings are closed meetings that permit the Respondent to discuss the referral informally with a Conduct Officer and others as appropriate. During the meeting, the Conduct Officer and the Respondent discuss the referral and determine whether it is more likely than not the Respondent violated the Code or any other UK policy.
2. After reviewing the referral and meeting with the Respondent, if the Conduct Officer determines sufficient information does not exist to prove an alleged violation, the Conduct Officer may dismiss the referral.
3. If the Conduct Officer determines sufficient information does exist to prove an alleged

violation, and the Respondent **accepts responsibility** for the alleged violation, the Conduct Officer and the Respondent will discuss restorative actions. The Respondent can either:

- a. Agree to fulfill the restorative action as discussed in the meeting; or
 - b. Disagree with the proposed restorative action and request a restorative conference or a formal hearing on the issue of appropriate restorative actions only.
4. If the Conduct Officer determines sufficient information does exist to prove an alleged violation, and the Respondent **does not accept responsibility**, the case will be referred for a formal hearing.
 5. An agreement by the student as to either responsibility or the restorative action reached during the student conduct meeting may not be appealed.

B. Restorative Conference

1. A restorative conference provides an opportunity for interaction between the Respondent and any harmed party or Complaining Witness, but also may involve the community in the decision making process. Community participants may be anyone in the community concerned about the behavior. The goal is to provide everyone a voice in the process and bring understanding to all parties. Restorative conferences also allow for collaboration in deciding what is to be done about the incident in question and also to address any underlying problems that led to the incident.
2. Participation in a restorative conference is voluntary. All parties must willingly agree to attend. The Respondent must have previously accepted responsibility for the behavior in question in order for a restorative conference to occur. Annual training for restorative conference facilitators is provided by the Office of Student Conduct. Restorative conferences may or may not result in additional restorative actions, depending on the outcome of the conference.
3. If a resolution is not met through the restorative conference, the student conduct process will resume and a formal hearing will be scheduled to determine restorative actions.

V. FORMAL RESOLUTION

A. Formal Hearings

If an informal resolution is not reached, or in cases where the Director or Conduct Officer referred the matter because potential outcomes include disciplinary suspension or expulsion from UK, the case will be scheduled for a formal hearing. Hearings are closed meetings that permit UK and the Respondent to address the alleged violation or restorative actions with a Hearing Board. Only individuals with a legitimate role in the hearing process are permitted to attend or participate in a hearing. The Hearing Board will determine if an individual has a legitimate role in the hearing process.

B. Hearing Boards

The Office of the VPSA solicits volunteers from employees and students to serve on Hearing Boards. Annual and ongoing training is provided by the Office of Student Conduct. When a

student conduct matter is referred to a Hearing Board for a formal hearing, the Director will determine which Hearing Board will address the allegation(s). The Director will determine the appropriate Hearing Board based on the nature of the allegation(s), whether the allegation(s) is grounds for disciplinary suspension or expulsion, whether the allegation(s) is grounds for suspension or revocation of Registered Student Organization status, and other relevant factors. The Director will notify the Respondent, Complaining Witness(es), and Hearing Board members of the individuals selected for the Hearing Board at least 3 days in advance of the hearing.

1. UK Community Member Hearing Board

- a. The UK Community Hearing Board is a three (3) person Hearing Board composed of individuals selected by the Director from the employees, and students as follows:
 - i. One (1) faculty employee;
 - ii. One (1) staff employee; and
 - iii. One (1) undergraduate or graduate Student in good disciplinary standing and enrolled full-time. Students appointed to the UK Community Member Hearing Board are selected by an application and interview process. A Student member must be a full-time Student in good disciplinary standing with a cumulative grade point average of 2.5 or above and classified as a sophomore or above.
- b. Members serve one-year (1-year) terms, which may be renewed. The Director will designate one (1) member of the UK Community Member Hearing Board as Chair each time the Hearing Board is convened. The Chair is a voting member of the Hearing Board.

2. Registered Student Organization (RSO) Hearing Board

- a. The RSO Hearing Board is a five (5) person Hearing Board composed of undergraduate and graduate Students selected by an application and interview process overseen by the Office of Student Conduct. All members must be full-time students in good disciplinary standing with a cumulative grade point average of 2.5 or above, classified as a sophomore or above, and must be a current member of at least one (1) Registered Student Organization. All members serve one-year (1-year) terms, which may be renewed for one (1) additional year.
- b. Whether the RSO Hearing Board will address the allegation(s) is ultimately determined by the Director. The RSO Hearing Board is generally reserved for lower-level incidents of misconduct and those that do not include allegations of sexual misconduct, stalking, or relationship violence.
- c. The Director will appoint one (1) member of the RSO Hearing Board as Chair each time this board is convened. The Chair is a voting member of the Board.

C. Hearing Procedures

Hearings must be conducted by a Hearing Board according to the following procedures:

1. A party may request that a member(s) of a Hearing Board be excluded from the hearing

based on a conflict of interest or bias. The request to exclude a member of a Hearing Board must be made in writing via email to the Director at least two (2) business days prior to the scheduled hearing. Requests must state the exact nature of the request and reason(s) the requestor believes the Hearing Board member cannot be impartial. The Director will decide if the Hearing Board member should be excluded, and if so assign a new Hearing Board member. The Director will notify the parties accordingly. The Complaining Witness, Respondent, and their support person(s) if any, are allowed to attend the entire portion of the hearing during which the Hearing Board receives information (excluding deliberations). Admission of any other individual to the hearing is at the discretion of the Chair of the Hearing Board.

2. A party may request to postpone the hearing for reasonable cause. A written request must be submitted to the Director, which includes the reason for the request, no later than two (2) days prior to the scheduled hearing unless unforeseen circumstances occur. The Director, in consultation with the Chair, may accept or deny the request after considering the nature of the request and the incident at hand.
3. At the discretion of the Director, in hearings involving more than one (1) Respondent the hearings concerning each Respondent may be conducted either separately or jointly. Joint hearings will only be conducted upon agreement of the Respondents and upon execution of an appropriate FERPA waiver.
4. The burden of proving a violation of the Code is on UK. The Respondent is presumed to be not responsible until determined otherwise.
5. The Hearing Board's determination will be made based on the preponderance of evidence standard. Preponderance of Evidence means that it is more likely than not (at least 50.1% certain) that the Respondent is responsible for the alleged act.
6. The Respondent is responsible for presenting his or her own information at the hearing. If the Respondent chooses not to participate, or fails to appear before a Hearing Board, the Hearing Board may review the available information and make a determination in the Respondent's absence.
7. The Office of Student Conduct will provide to the Hearing Board:
 - a. The Student Conduct Report;
 - b. A written summary detailing the meetings with both parties;
 - c. A written summary of the available information; and
 - d. The reason the case is before the Hearing Board.
8. In advance of the hearing, the Office of Student Conduct will provide to the Respondent:
 - a. The Student Conduct Report;
 - b. A written summary detailing the meetings with both parties;
 - c. A written summary of the available information; and

- d. The reason the case is before the Hearing Board.
9. The Conduct Officer responsible for the case will appear at the hearing to explain the Student Conduct Report and respond to questions from the Hearing Board.
 10. The Complaining Witness and the Respondent may be assisted by up to two (2) Support Person(s) of their choice and at their own expense. Support Persons(s) are not permitted to speak or to participate directly in the hearing. A Student should select a Support Person(s) whose schedule allows attendance at the scheduled date and time for the hearing. Delays of a meeting or hearing are not normally allowed because of the scheduling conflicts of a Support Person.
 11. The Office of Student Conduct is responsible for assisting the Hearing Board in arranging for witnesses who are members of the UK Community to present information during the hearing when reasonably possible. Arranging for the attendance of witnesses who are not members of the UK Community is the responsibility of the party who seeks the witness' testimony. Witnesses participate in a hearing to provide information to and answer questions from the Hearing Board regarding the personal knowledge they have of the incident at hand.
 12. The Office of Student Conduct will make reasonable accommodations to address concerns for the personal safety, well-being, or fears of confrontation of the Complaining Witness, Respondent, or other witness during the hearing. Accommodations include providing separate facilities, using a visual screen, or permitting participation by telephone, videophone, closed circuit television, video conferencing or other appropriate means as determined by the judgment of the Director.
 13. The parties may suggest questions to the Chair in writing to be answered by witnesses. The Chair will determine if the questions are relevant and appropriate. At the discretion of the Chair, the Hearing Board may accept pertinent records, exhibits, and written statements (including student impact statements) as information for consideration by the Hearing Board.
 14. The Chair is responsible for maintaining order and determining the sequence of events during a hearing. The Chair may direct any person who fails to comply with procedures during the hearing or disrupts/obstructs the hearing to leave the hearing.
 15. The Chair is responsible for making final decisions on all procedure or evidence questions, but may consult with the Conduct Officer or other appropriate UK Official before making a final decision.
 16. If Respondent has not accepted responsibility, after receiving all pertinent information, the Hearing Board will determine whether the Respondent has violated any Code section. If the Hearing Board determines the Respondent has violated the Code, the Hearing Board will recommend restorative actions to the Dean of Students. The Chair will provide a written rationale for the decision and recommend appropriate restorative actions to the Dean of Students. If the Hearing Board determines the Respondent has not violated any Code section, the Hearing Board recommends to the Dean that no actions be taken and the case is dismissed.

17. If Respondent has previously accepted responsibility, after receiving all pertinent information, the Hearing Board will recommend restorative actions to the Dean of Students. The Chair will provide a written recommendation of any restorative actions and the rationale for the recommendation to the Dean of Students
18. The Hearing Board may reconvene a hearing at a later time or date to collect additional information before making a final determination regarding the outcome of any hearing, including recommended restorative actions.
19. The decision and restorative action(s) are ultimately determined and imposed by the Dean of Students; however, the Dean of Students must consider the recommendation of the Hearing Board in determining responsibility for the alleged policy violation and imposing restorative actions. The Dean of Students is not limited to the decision or restorative actions recommended by members of the Hearing Board and can accept, modify, or reject the recommended decision and, if applicable, restorative actions. The Dean of Students will provide a written outcome to the Respondent via the Student's UK email address no more than seven (7) business days following a hearing, unless circumstances exist that would delay issuance of the written outcome. The written outcome must describe the rationale for the decision and any restorative actions imposed.
20. The Dean of Students is not limited to the decision or restorative actions recommended by members of the Hearing Board.
21. All hearings will be recorded, with the exception of the deliberation portion. The record is the property of UK.

VI. APPEALS TO THE UNIVERSITY APPEALS BOARD (UAB)

A. Appeal

1. A Respondent may appeal the Hearing Board's decision and restorative action to the UAB if the restorative action is social suspension, disciplinary suspension, or disciplinary expulsion. (See *Governing Regulation XI*)
2. A Respondent and his or her Support Persons have the right to review the hearing file, including any recording of the hearing, in preparation for filing an appeal.
3. The written appeal will be submitted to the Chair of the UAB or postmarked, if mailed to the Chair, within seven (7) business days of the receipt of the decision rendered by the Hearing Board.

B. Jurisdiction

The UAB has appellate jurisdiction over non-academic student conduct cases. The appeal is not a new hearing, but rather a review of the original hearing. The appeal is limited to the following issues:

1. Whether deviations in procedures were significantly prejudicial (i.e., would alter the outcome of the hearing). In such cases, the UAB will determine whether the hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed

procedures providing UK a reasonable opportunity to prepare and to present information regarding the alleged Code violation, and providing the Respondent a reasonable opportunity to prepare and to present a response to those allegations.

2. Whether the restorative actions imposed (i.e., social suspension, disciplinary suspension, disciplinary expulsion) were appropriate for the violation.
3. Whether new information, or other relevant facts not presented at the hearing, would have altered the outcome of the hearing and if such information and/or facts were not known to the person appealing at the time of the original hearing.

C. Notification of Appeal

If the Respondent files an appeal, the Chair of the UAB will notify the Office of Student Conduct of the appeal and provide the Office of Student Conduct an opportunity to file a response. If the Office of Student Conduct files a response to the appeal, the response must be filed within five (5) business days of being notified of the appeal.

D. Appeal Record

In considering an appeal, the UAB will conduct a review of the existing documentary and verbatim record, including but not limited to:

1. The hearing file;
2. The written recommendations of the Hearing Board;
3. The recording or transcript of the formal hearing;
4. The letter of appeal; and
5. Written response from the Office of Student Conduct, if any.

E. UAB Decision

Upon review of all of the information, the UAB Chair and two (2) members of the UAB chosen by the Chair, have the authority to do one (1) of the following:

1. Uphold the findings and recommendations made by the Hearing Board;
2. In the cases of social suspension, disciplinary suspension, or disciplinary expulsion, modify the restorative actions; or
3. Remand the case back to a Hearing Board.

F. Remanded Cases

An appeal can only be remanded to a Hearing Board due to procedural error or new information.

1. For issues of procedural error, the Director will appoint a new Hearing Board to reconsider the referral; or

2. For issues of new information, the Director will instruct the original Hearing Board to resume the hearing.

G. UAB Decision

The UAB Chair will communicate the outcome to the Respondent, the Director, the Dean of Students, and when appropriate, the Complaining Witness. The decision of the UAB is final and binding upon all involved.

VII. PROCEDURES FOR NONPAYMENT OF FINANCIAL OBLIGATIONS

- A. UK expects each Student to be financially responsible and not be delinquent in financial obligations to UK or to any department or division thereof, including housing payments to Registered Student Organizations.
- B. An office or a department of UK, with previous approval of the Executive Vice President for Finance and Administration, will notify a student twice of any unmet financial obligation owed to it. If not paid within sixty (60) business days, from date due, the office or department will notify Student Account Services that the student is delinquent.
- C. Once notified, Student Account Services will review the account and when appropriate notify the Registrar to not allow the Student to register, transfer credits, be readmitted to UK, or receive the graduation diploma which certifies degree earned until the Student Account Services notifies the Registrar that the obligation has been met or until the statute of limitations on collection applies.
- D. If there is a dispute as to whether or not a Student is legally liable for a financial obligation asserted by the UK, and the Student challenges such obligation by contacting the Office of the Executive Vice President for Finance and Administration in writing within seven (7) business days of receipt of a notice of financial delinquency, then the actions with respect to registration will not apply until final resolution of the dispute.
