October 25, 2005

Members, Board of Trustees:

UNIVERSITY STAFF
EMERITA TITLE BE CONFERRED UPON
ROBERTA T. STINNETT

Recommendation: that Ms. Roberta T. Stinnett be named University Staff Emerita in recognition of her long service and dedication to the University of Kentucky for more than fifty years.

Background: On August 22, 1955, Ms. Stinnett began her long and satisfying career as an account clerk in the General Accounting Department. During her tenure at the University of Kentucky she faithfully dedicated her full career to serving the needs of the General Accounting Department. She has seen the transformation of the University of Kentucky in a way few employees or citizens of the Commonwealth of Kentucky have experienced. Additionally, she has been able to bridge the movement from manual systems to electronic systems, paper to paperless, and worked with many supervisors during her successful career. Over the years, Ms. Stinnett has demonstrated an outstanding work ethic and excellent attitude. At no time during her employment has she given less than 100 percent effort. Her years of dedicated service, hard work, generosity, commitment, and kindness have made her one of the university's most well respected and cherished individuals. There is not a more loyal and dedicated employee who deserves to have the title of University Staff Emerita conferred upon her by the Board of Trustees.
