Members, Board of Trustees:

PROPOSED REVISIONS TO THE ADMINISTRATIVE REGULATIONS

Recommendation: that the attached proposed revisions to Administrative Regulation (AR III-1.1-4) be given preliminary consideration for approval and adoption at the next regular meeting of the Board of Trustees, on December 13, 2005.

The proposed additions are in blue and underlined; proposed deletions are in red, and a line runs through deleted language.

Background: The Kentucky Council on Postsecondary Education (CPE) promulgates regulations concerning residency determinations. The university's regulation on residency determinations is based on the CPE's regulations. Although the Non-Resident Fee Committee is created by an Administrative Regulation (AR), approval of the AR by the Board of Trustees is required by regulations promulgated by the CPE.

A committee, chaired by Associate Provost David Watt, reviewed the CPE requirements and the prior AR. The committee proposed revisions of the regulation. The revisions have been reviewed and approved by the Senate Council and President Todd; President Todd recommends approval of these revisions. The committee believes this revised Administrative Regulation complies with CPE's regulations, clarifies the procedures for determining residency, and gives the Non-Resident Fee Committee and students a better organized and more readable document.
