Members, Board of Trustees:

CHANGE IN NAME OF AN EDUCATIONAL UNIT

Recommendation: that the Board of Trustees approve the change in the name of the Department of Microbiology and Immunology to the Department of Microbiology, Immunology and Molecular Genetics.

Background: The proposed name change is recommended to better reflect the research and teaching mission of the department.

The proposed change has been approved by the faculty in the Department and the Academic Council for the Medical Center; reviewed and recommended by the Senate Committee on Academic Organization and Structure and the Senate Council; and approved by the University Senate. The Provost of the University supports this recommendation.
