Office of the President  
April 24, 2007

Members, Board of Trustees:

CANDIDATES FOR DEGREES  
UNIVERSITY SYSTEM

Recommendation: that the president be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the university registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the elected faculty of the University Senate and the Academic Affairs Committee of the Board of Trustees.

Background: Since commencement exercises are held immediately following completion of examinations, it is not possible for the university registrar to certify satisfactory completion of requirements prior to commencement exercises for those candidates who complete their requirements in May. The candidates who completed their requirements in August 2006 and December 2006 were approved by the Board of Trustees at earlier meetings.
