Members, Board of Trustees:

CHANGE IN NAME OF A DEGREE

Recommendation: that the Board of Trustees approve a change in the name of the Bachelor of Science in Family and Consumer Science to Bachelor of Science in Family Science, effective in the spring 2008 semester.

Background: The proposed change eliminates the ongoing confusion between whether students are majoring in FCS education or FCS (non-teaching option). The proposed title reflects the home department's name, the faculty expertise, and the research and teaching mission of the department.

This proposal has the approval of the Undergraduate Council, Senate Council, and University Senate. The provost of the university supports this recommendation.
