We have performed the procedures enumerated below, on assessing compliance with certain elements with Sections 5, 6, 7, 8, 9, 10, 11, 18, 19 and 23 of the agreement dated July 1, 2019, as extended through the Annual Agreement Extension Agreements (collectively, Agreement) between the board of trustees of the University of Kentucky (UK) and Kentucky Medical Services Foundation, Inc. (KMSF) as of and for the year ended June 30, 2021. The management of KMSF is responsible for the aforementioned compliance elements.

UK has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assessing compliance with certain elements of the Agreement as of and for the year ended June 30, 2021. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures performed and findings obtained are described below.

We obtained the Agreement that was effective for the year ended June 30, 2021, and performed the following:

### Section 5 – Payments to University of Kentucky

1. We obtained a listing of requests for payment (RFPs) of faculty and staff payroll and current operating expense for the year ended June 30, 2021, and selected a sample of four months: July 2020, September 2020, January 2021 and April 2021.
2. We agreed the amounts of each of the RFPs noted in #1 above to wire transfer confirmations for each payment of monthly costs invoiced by UK to KMSF, without exception, and as prescribed in Section 5, Items B, C and D, of the Agreement.
3. We agreed the July RFP in the amount of \$20,332,725, the September RFP in the amount of \$22,551,487, the January RFP in the amount of \$21,029,536 and the April RFP in the amount of \$22,846,924, without exception, and noted that all were paid within 30 days, as noted in Section 5, Items B, C and D, of the Agreement.

## **Section 6 – Reimbursement of Kentucky Medical Services Foundation, Inc.**

4. We obtained summary documentation of actual property management costs for the year ended June 30, 2021, and compared those costs to the negotiated rates paid by UK as discussed in Item 6F of the Agreement. We noted a formal lease arrangement between UK and KMSF PF: 8409, that included the negotiated rate for the year ended June 30, 2021; the negotiated rate was \$10.00 per square foot, while the actual costs were \$9.09 per square foot.
5. We agreed the actual property management costs summary worksheet totals of \$1,229,289 to the recorded general ledger balances, without exception.
6. We selected a sample of five items (document numbers: 1900677561, 1900660502, 1900676048, 100071816 and 1900682083) from the general ledger and compared those items to supporting documentation, such as an invoice or journal vouchers, agreeing all items, without exception.

## **Section 7 – Cost Settlement**

7. We obtained documentation of the mutual Agreement and calculation between KMSF and UK for the cost-sharing arrangement for the year ended June 30, 2021. As noted in the Agreement, costs are shared between KMSF and UK.
8. We obtained the calculations for the cost-sharing arrangement for the operation of the UK Health Care Plans, specifically the UK-HMO, for the year ended June 30, 2021, and noted that total expenses were shared 50% between UK and KMSF, respectively, and ambulance claims were shared 56% and 44%, between UK and KMSF, respectively, for the year ended June 30, 2021. We viewed invoices and calculations for all costs allocated for the year ended June 30, 2021. We noted that there was no memorandum of understanding regarding the cost-sharing percentages discussed above. We noted an amendment and extension to the Agreement dated as of July 1, 2019, between UK and KMSF, for the integrated revenue cycle programs where all costs incurred by KMSF from July 1, 2020, through June 30, 2021, were reimbursed by UK. We viewed detail of the costs incurred and remittance advices for the twelve payments made for the year ended June 30, 2021, and noted the total costs incurred by KMSF were \$16,464,884 and the total reimbursed by UK was \$16,338,239. Further, KMSF management stated that there was no cost sharing for certain marketing efforts, as detailed in Section 7, Item A, of the Agreement, during the year ended June 30, 2021. The reconciliation of clinical income detail totaled \$228,100,143, resulting in an 8% allocation of \$18,248,011. We noted a reduction of the calculated amount by \$2,261 for Specialty Pharmacy Overhead. We also noted that the 8% allocation varied from the total clinical income, as KMSF's management represented that certain items included in clinical income were not included for the purpose of the calculation, such as drugs and supplies revenue, as well as cash collected on behalf of Hospital Owned Community Practices, Shriners Hospital, College of Nursing, College of Health Sciences and certain special services contracts. We noted that \$18,245,750 was deposited into the account for the year ended June 30, 2021, as payments from KMSF to UK, which agreed without exception.

Accordingly, with respect to employment of personnel by Foundation, the parties agree as follows:

#### A. Foundation staff

The Foundation may employ such management personnel and such assistants, including secretarial and clerical personnel as may be determined by its Board of Directors to be necessary or appropriate to permit said Foundation to bill and collect professional fee income, to administer its funds in accord with the terms of the geographic full-time plan, and to fulfill any other authorized activities of Foundation.

B. Other personnel

During the term of this contract Foundation agrees that, except as otherwise approved by the Executive Vice President for Health Affairs and the Dean of the College of Medicine, it will not have any employees other than the employees authorized in Section 11. A. to perform services in University's patient care or college programs. Provided, however, that this provision shall not be construed to prohibit specific agreements between the parties whereby Foundation will employ personnel for service duties which generate income, provided, however, that such professionals may be employed only upon the recommendation and approval of the Dean of the College of Medicine and approval of same by the Executive Vice President for Health Affairs, with payment of salary and related costs to be from income produced by such professional activity.

C. Equal opportunity-affirmative action

The Foundation agrees that it will not discriminate against any employee or applicant for employment because of race, color, ethnic origin, national origin, creed, religion, political belief, sex, sexual orientation, marital status, handicap or disability. The Foundation does not discriminate because of uniform service, veteran status, or physical or mental disability when an individual otherwise meets the minimum qualifications for employment. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other compensation; and selection for training. The Foundation agrees that it will, in all solicitations or advertisements for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, ethnic origin, national origin, creed, religion, political belief, sex, sexual orientation, marital status, handicap or disability. The Foundation agrees that it will indemnify and save harmless the University, the Board of Trustees of the University,

including the individual members thereof, officers, agents and employees of the University, by reason of any action by law or equity or by reason of any administrative proceeding initiated by any person arising out of any such employment action or practice of the Foundation, including the payment of attorney fees and other costs of such action or proceeding.

**Section 12. USE OF UNIVERSITY FACILITIES**

B. University may at its election terminate this agreement with respect to any department without termination of the entire agreement for the same reasons and in the same manner as provided hereinabove.

#### **Section 16. PROFESSIONAL LIABILITY**

Nothing contained herein shall be construed to provide that any member of University's clinical faculty, house staff or student body is acting as an agent of Foundation when providing care to patients in University facilities or as a part of an approved University program.

University agrees that, when so acting, said faculty, house staff and students shall be considered agents of said University and that payment of claims or judgments may be made on their behalf from the fund provided pursuant to KRS 164.941 or other University funds.

A. The parties recognize and agree that the reimbursement of University costs incurred attendant to the production of clinical income and the provision of a sum equal to eight

Foundation agrees that it shall maintain a separate account pursuant to its contributing for self-insurance identified in Section 18B. to be invested consistent with the University's policy for investment of endowed funds with all income to be accumulated in said separate account. The investment plan of Foundation for said separate account is subject to the approval of the University's Treasurer.

D. Notwithstanding anything contained herein to the contrary, the Dean of the College of Medicine may waive or reduce the charges referred to in Section 8 hereinabove (and elsewhere herein by reference to Section 8) relative to such clinical income as he may from time to time determine.

**Section 18. PROVISION OF PROFESSIONAL LIABILITY INSURANCE**

A. Under the professional liability insurance program, Foundation agrees that it will pay the University, as reimbursement, for the physicians' pro rata share of the malpractice contributions as determined by the Risk Management Committee, of the costs of the following: (i) payments required pursuant to KRS 164.941 in one (1) lump sum payment within five (5) working days of receipt of amount due; (ii) cost of claims administration within five (5) working days of receipt of quarterly amounts due; and (iii) the physicians' pro rata share of the costs of excess commercial insurance within five (5) working days of receipt of amount due.

No monies in said account shall be expended for any other purpose than as provided in this Section without the written agreement of University, nor shall such monies be encumbered, pledged or otherwise hypothecated. The monies in said account shall be invested only as provided in Section 17 hereof. Payment to the separate account may be in equal installments, provided that the full pro rata share of the malpractice contributions as determined by the Risk Management Committee shall be deposited by June 30, 2019.

C. In sum, Foundation agrees to pay in both assessments and contributions of the pro rata share of the malpractice contributions as determined by the Risk Management Committee of the total program costs of 2019-2020 as determined by KRS 164.941 and the Risk Management Committee.

## **Section 23. ADDITIONAL ACTIVITIES**

The University recognizes that in the changing health care delivery environment, the future condition of the University of Kentucky Medical Center and the University of Kentucky College of Medicine will depend on adjusting to those changes. The Foundation recognizes that

it can assist the University to make these adjustments and that it should do so when such assistance can be provided without having a material negative impact on the Foundation's primary duty to bill and collect on behalf of faculty members who have executed practice agreements and assignments. The Dean of the College of Medicine or the Executive Vice President for Health Affairs shall determine whether duplication of activities exists and a means for resolution of same.

#### **Section 24. CORPORATE COMPLIANCE**

Foundation affirms that it is not excluded from participation, and is not otherwise ineligible to participate in a "Federal health care program" as defined in 42 U.S.C. section 1320a-7b(f) or in any other state or federal government payment program. In the event that Foundation is excluded from participation, or becomes otherwise ineligible to participate in any such program, during the term of this agreement, Foundation will notify the University of Kentucky Chandler Medical Center, hereinafter "UKCMC," Office of Compliance, 2333 Alumni

Park Plaza, Suite 200 Lexington, Kentucky 40517 in writing, by certified mail within 48 hours after said event, and upon the occurrence of any such event, whether or not appropriate notice is given, the University of Kentucky, shall have the right to terminate this Agreement upon written notice if such matter is not cured within a reasonable timeframe as determined at the sole discretion of the University.

Additionally, Foundation affirms that it is aware that UKCMC operates in accordance with a corporate compliance program, employs a Corporate Compliance Officer and operates a 24 hour, seven day a week compliance Comply-line. Foundation has been informed that a copy of the UKCMC compliance plan is on file in the purchasing office and that it is encouraged to review the plan during normal business hours. It is understood that should Foundation be found to have violated the UKCMC compliance plan, UKCMC can, at its sole discretion, terminate this Agreement upon written notice if such matter is not cured within a reasonable timeframe as determined at the sole discretion of the University. Foundation recognizes that it is under an affirmative obligation to immediately report to UKCMC's Corporate Compliance Officer through the comply-line 1-877-898-6072, in writing, or directly (859) 323-8002 any actions by an agent or employee of UKCMC which Foundation believes, in good faith, violates an ethical, professional or legal standard.

Nothing in this Agreement contemplates or requires that any party act in violation of federal or state law. Nonetheless, should any term or condition set forth in this Agreement later be creditably alleged, suspected or determined to be illegal, the parties agree to immediately cease the questioned activity and negotiate modification to the effected portion of the Agreement for a thirty (30) day period. If at the end of this period, no compromise can be reached, the Agreement will terminate.

**Section 25. NO THIRD-PARTY BENEFICIARIES**
