Campus Safety & Security Update

Chief Joe Monroe

University of Kentucky Police Department (UKPD)

- Police Officers (64)
- Civilian-Administrative (17)
- Dispatch (12)
- Security (98)
- Total Employees (191)

UKPD

- 22 weeks of police academy training
- 16 weeks of training at UKPD
- 40 hours of annual in-service training
- Nine graduates of the Federal Bureau of Investigations (FBI) National Academy
- All officers equipped with body cameras

Bluegrass and Central Kentucky Unified Police Protection System (BACKUPPS)

- Formed by an inter-jurisdictional agreement under KRS 65.240

- One of the original 26 agencies and only university at the time

- Allows jurisdictional authority for sharing of personnel and resources

- Current membership (63 agencies)

Partnerships

- FBI-Joint Terrorism Task Forces (JTTF)
- Kentucky State Police
- Lexington Police
- Louisville Metro Police

Campus Security Project

- Approved by the Board at its June 2012 meeting
- Estimated scope of $4,800,000
- Project completion time of 36 months
- Four components

Component Parts

- Implement a video management system and install cameras

- Incorporate access control system into buildings

- Consolidate identification (ID) badge operations

- Implement early warning notification system

Benefits

- Quick resolution to recent crimes
- Increased awareness to enhance safety
- Broader coverage for emergency notifications
- Assists facilities management
- Develops a campus security standard for all new buildings
- "One card" concept

Campus Security Project (Current Status)

- 86 buildings now on access control
  - Original project was 25
- Over 80,000 cards issued since transition to "one card" concept
- Maxwell Street corridor project scheduled to begin next month
 - Cameras & emergency phones

Identification

- Consolidated campus and UK HealthCare ID operations developing the "one card"

Crisis Management and Preparedness Responsibilities

- Emergency action plans-campus buildings
- Emergency operation plans for large events
- CLERY/Minger Act compliance and reporting
- Business continuity planning
- Hazard mitigation plan & Federal Emergency Management Agency (FEMA) projects
- UK Alert and emergency communications
- Emergency Operations Center
- Emergency response training and exercises

UK Alert

- The University operates an emergency message notification system for the purpose of delivering subscription based emergency messages to the campus community

- Triggered by an event that is <u>currently</u> occurring on campus or is considered an <u>immediate</u> threat to campus safety

UK Alert Enrollment

- 59,665 currently enrolled
- All University students, staff, and faculty are automatically registered into email notification with their official University email address (uky.edu)
- Text messaging & voice call are optional
- 58% or 34,407 selected the optional registration for text message notification.

Modes of Delivery

- Campus voice over internet protocol (VOIP) (6,131)
- Fire integration panels (17)
  - Located in all new construction & some recently renovated buildings
- Twitter (85,000)
- Facebook (400,000)
- Campus web page (uky.edu)
- Blue emergency phone towers (exterior notification)
  - 90% coverage of campus

Future Goals

- Virtual patrol of campus
- Implementation of desktop notification software
- Live streaming in-car and body cameras for officers
- Holster and body armor alerts
- Dynamic dispatching utilizing global positioning system (GPS) technology
- Continued focus on improving preparedness for known and no-notice events

Off Campus (near)	-	-	2	1
Total	4	12	16	9

Campus Wide Radio Project

- Prior Public Safety radio system 23 years old
- Not Compliant with P25 standards
- New radio system upgrade will unite all campus radio systems into a single system
- Implementation underway (35% complete)
- Projected completion date of January 2019
- Enables inter-communication with Lexington Public Safety radio system
- Future coverage expansion to include partnerships with Madison and Scott Counties

Access Controlled Facilities

Original Project	Additions		Current Projects
Student Center	Anderson Hall	Jewell Hall	Law Renovation
Main Building	Aramark Dining Locations	Johnson Hall	RB2
