Members, Board of Trustees:

RENOVATE OLD SOFTBALL/SOCCER LOCKER ROOM  
CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Renovate Old Softball/Soccer Locker Room Capital Project.

Background: The men's and women's soccer and the women's softball teams have been moved from the old soccer/softball facility to newly renovated facilities in the expanded softball/soccer complex. However, the men's and women's soccer and women's softball team offices remain in Commonwealth Stadium. This project will renovate the existing soccer/softball locker and shower space in the old soccer/softball building to create new office and administrative space for the coaches and staff of the three teams. As a result, the student-athletes will have access to their coaches and coaching staff in adjacent facilities. The vacated space in Commonwealth Stadium will house event management, facility operations and sports turf personnel to provide a more cohesive and efficient work environment for those units.

The scope of the legislatively authorized project is estimated to total \$1,500,000 and will be funded with private funds.
