Members, Board of Trustees:

IMPROVE GOOD SAMARITAN HOSPITAL FACILITIES CAPITAL PROJECT  
(THIRD FLOOR RENOVATION)

Recommendation: that the Board of Trustees approve the initiation of the Improve Good Samaritan Hospital Facilities Capital Project (Third Floor Renovation).

Background: Pursuant to Administrative Regulation 8:2, any capital project with an estimated scope of \$1,000,000 or more must be approved by the Board prior to initiation.

The patient volume at UK HealthCare Good Samaritan Hospital (UKGSH) continues to grow. This Project will address patient over-crowding with renovation of acute care beds. The Project encompasses the renovation of 13,490 square feet of existing space on the third floor of Wing B at UKGSH. The scope includes the relocation of a Dialysis Suite, upgrades to 30 patient rooms, Wing B finishes, new staff support spaces, a public restroom (compliant with the American with Disabilities Act Accessibility (ADA) Guidelines), and a communication closet. The Project will be completed in phases to minimize any negative impact on patient care.

This \$2,200,000 project, authorized by the 2018 Kentucky General Assembly, is well within the total legislative authorization of \$25,000,000 and will be funded with agency funds.
