Office of the President
February 23, 2024

Members, Board of Trustees:

IMPROVE UK HEALTHCARE FACILITIES – UK CHANDLER HOSPITAL
(PAVILION A EMERGENCY DEPARTMENT ENTRANCE RECONFIGURATION)
CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Improve UK HealthCare Facilities – UK Chandler Hospital (Pavilion A Emergency Department Entrance Reconfiguration) capital project.

Background: Pursuant to Administrative Regulation 8:2, any capital project with an estimated scope of \$1,000,000 or more must be approved by the Board prior to initiation.

This project will reconfigure the entrances to the Adult and Pediatric Emergency Departments in Pavilion A. This project will enhance current security measures by providing space for an additional security presence and facilitating new security screening procedures. The project will include reconfiguration of the exterior access to the emergency departments and access to the central part of the hospital.

This \$5,500,000 project, authorized by the 2022 Kentucky General Assembly, is well within the total legislative authorization of \$310,000,000 and will be funded with agency funds.

Action taken: Approved Disapproved Other _____
