Office of the President  
June 19, 2020

Members, Board of Trustees:

## DISPOSAL OF PERSONAL PROPERTY

Recommendation: that the Board of Trustees approve a plan for Fiscal Year 2020-21 authorizing: (1) routine disposition of personal property having a value less than \$25,000 to include equipment and machinery; miscellaneous supplies and furnishings; vehicles; library books and materials; livestock and other agricultural commodities and products; recyclable materials; items with no possible future use; and equipment acquired as part of the Smart Campus Initiative; and (2) the methods of disposal as listed on the attachment.

Background: Kentucky Revised Statute 164A.575 requires that the Board of Trustees approve disposition of equipment and other property. Administrative Regulation 8:1, approved by the Board of Trustees at its March 2007 meeting, establishes the policies and procedures for the routine disposition of property. The proposed plan will provide an efficient and timely process for the disposition of such property having a value of less than \$25,000. Non-routine dispositions require specific approval of the Board of Trustees.
