Office of the President

Members, Board of Trustees:

## ACADEMIC YEAR 2024-25 TUITION AND MANDATORY FEES SCHEDULE

Recommendation: that the Board of Trustees approve the attached Academic Year (AY) 2024-25 Tuition and Mandatory Fees Schedule. The recommended tuition and mandatory fees reflect a 2.2 percent increase for most resident and nonresident students compared to AY 2023-24.

Background: Pursuant to KRS 164.020(8), the Council on Postsecondary Education has the statutory authority to determine tuition for Kentucky's public colleges and universities. The Council considers any required fees charged to most students as subject to the statute.

On March 31, 2023, the Council adopted resident undergraduate tuition and mandatory fee ceilings for academic years 2023-24 and 2024-25 with a maximum rate increase of no more than 5.0 percent over the two years and a maximum increase of no more than 3.0 percent in any one year.

The Council also adopted a recommendation that the public institutions be allowed to submit for Council review and approval market competitive tuition and fee rates for graduate and online courses, as well as tuition and fee rates for nonresident undergraduate students that comply with Council policy. The Council's policy states that every institution shall manage its tuition and fee rate structures, price discounting, and scholarship aid for out-of-state students, such that in any given year, the average net tuition and fee revenue generated per nonresident undergraduate student equals or exceeds 130 percent of the annual full-time tuition and fees assessed to resident undergraduate students.

The UK Board of Trustees recommended, and the Council approved, a 2.75 percent increase in the rates for resident undergraduate students for AY 2023-24. As a result, the University is permitted to increase AY 2024-25 undergraduate resident tuition and mandatory fee rates by 2.2 percent for a total 5.0 percent increase over the two years. The attached recommended AY 2024-25 schedules reflect tuition and mandatory fee rate increases of 2.2 percent for most resident and nonresident students. The recommended rates comply with the Council's tuition and mandatory fees ceilings and policy.

The University assesses 18 mandatory fees that support a range of student services such as the Student Government Association, student health and technology. Student

mandatory fees are assessed based on the student's full-time or part-time status, program platform (UKCampus or UKOnline) and program level (undergraduate, graduate or professional). Each year, the Student Government Association's Student Fee Allocation Committee (SFAC) solicits and reviews proposals for changes in mandatory fees. The Committee received a request to increase the Student Services Fee by \$15.00 to \$28.50 per semester. The additional funds would create a more comprehensive and integrated workforce-ready student experience that merges academic and career advising with co-curricular experiences. The SFAC recommends approval of the requested fee increase.

In October 2023, the Board directed the President to accelerate efforts to advance growth to do more and be more for Kentucky. Five work groups were created including Work Group 1, More Educated Kentuckians, which is to continue strategic and thoughtful enrollment growth focused on the workforce needs of Kentucky and incentivizing students to live and work in Kentucky following graduation. It is recommended that the Diversity Fee of \$6 per semester be substituted with a Career Preparation Fee of the same amount. The funds generated from the Career Preparation Fee will enhance career focused development activities to assist students match future careers with their academic pursuits.

The recommended tuition and mandatory fees are presented in Attachment I. The recommended mandatory fees are also shown separately in Attachment II. The University has submitted the attached rates to the Council on Postsecondary Education for consideration, pending Board of Trustees approval.

The recommended program, course and administrative fees for AY 2024-25 are included in FCR 8 Fiscal Year 2024-25 Operating and Capital Budget.

**Academic Year 2024-25**  
**Recommended Tuition and Mandatory Fee Rates**  
**NOTES**

<sup>1</sup>**Tuition and Mandatory Fee Rates.** The applicable tuition and mandatory fee rates will be determined at the time charges are assessed based on the student's primary academic program, including students concurrently pursuing multiple degrees and/or certificates. Course and program fees may be assessed in addition to the published tuition and mandatory fee rates, as applicable.

<sup>2</sup>**Undergraduate Tuition.** Undergraduate degree and certificate programs are offered on two platforms – UK Campus and UK Online.

UK Campus. For undergraduate students enrolled in the UK Campus, tuition and mandatory fees will be assessed per credit hour up to 12 hours. Full-time per semester rates (capped rates) will be charged to undergraduate students enrolled for 12 or more credit hours. Class section delivery mode (e.g., in-person, fully online, hybrid, etc.) will not impact the assessment rate.

UK Online. Fully online undergraduate certificate and degree programs (i.e., Internet, web-based) are offered only through UK Online. Undergraduate students enrolled only in a UK Online certificate or degree program will be assessed the UK Online rate for each credit hour. There is no full-time tuition cap for UK Online undergraduate certificate and degree programs. The UK Online rate will be the same for resident and non-resident undergraduate students.

UK Campus and UK Online. Full-time undergraduate students with a declared primary academic program offered through UK Campus may add a UK Online minor and/or certificate at no additional charge.

Undergraduate students with a declared primary academic program offered through UK Campus who add a second major offered through UK Online will be assessed the UK Online rate for all online classes in addition to the tuition assessment for all other classes.

Students whose only academic program is offered through UK Online will be limited to enrolling in UK Online classes.

<sup>3</sup>**Graduate and Professional Practice Tuition.** Graduate and professional students will be assessed tuition and mandatory fees based on their enrolled program. Tuition and mandatory fees for these programs are classified as per semester rates, annual rates, or full program rates.

Unless specifically addressed below, full-time per semester tuition and mandatory fees will be charged to graduate and professional practice doctoral students enrolled for nine or more credit hours. Tuition and mandatory fees will be assessed per credit hour to graduate and professional practice students enrolled for less than nine credit hours.

**University of Kentucky**  
**Academic Year 2024-25**  
**Recommended Tuition and Mandatory Fee Rates**  
**NOTES**

Students considered full-time for financial aid and reporting purposes, but enrolled for less than nine credit hours, (e.g., graduate students in residency status) will be assessed on a per credit hour basis.

Graduate students enrolled exclusively in classes offered through distance learning will be assessed tuition using the applicable resident rate, regardless of residency status. Distance learning classes include delivery modes of fully online (i.e., Internet, web-based), hybrid, off-campus, TV, and compressed video.

**<sup>4</sup>Mandatory Fees.** Mandatory fees will be assessed based on the student's full-time or part-time status, program platform (UK Campus or UK Online), and program level. Full-time students enrolled in at least one non-distance learning class (i.e., on-campus class) will be assessed all mandatory fees. If a student wishes to participate in any activity supported by a mandatory fee that has not been assessed, the student must pay the total mandatory fees for the term, except to access University Health Service. Part-time students may pay the Student Health Fee to access University Health Service.

Students enrolled in programs offered by the colleges of Dentistry, Health Sciences, Nursing, Pharmacy and Public Health will be assessed the Student Health and the Student Wellness mandatory fees regardless of class locations or modality. Students enrolled in programs offered by the College of Medicine will be assessed all mandatory fees regardless of the class locations or modality.

No refunds for the Student Health Fee will be provided to full-time students who change their status to part-time on or after the first day of the semester. However, these students will maintain access to University Health Service while enrolled during the term. Refunds for the Student Health Fee will be processed for students who officially withdraw from the University through the Registrar's Office. Refund amounts will be determined in accordance with the schedule noted on the official University Calendar.

Undergraduate Students. Effective with the Fall 2024 semester, full-time, undergraduate students enrolled in the UK Campus will be assessed a maximum of \$696.50 of mandatory fees per term. Part-time, undergraduate students enrolled in the UK Campus will be assessed \$47.50 per credit hour. Undergraduate students enrolled only in UK Online classes will be assessed \$11.50 per credit hour with no full-time cap.

Pursuant to the Memorandum of Agreement with the Kentucky Community and Technical College System, students enrolled at the Bluegrass Community and Technical College (BCTC) may select and pay for specific services from the list of mandatory fees. However, all mandatory fees will be assessed BCTC students that reside in University of Kentucky student housing.
