### Which aspects of the course were most helpful? Why?

Comments
The detailed organization of the course.
the canvas was organized well, and everything we needed was within our grasp.
Tests reflected material from the course Dr. Lane used his own research to teach some concepts repetition of the class content throughout the semester The information was actually interesting.
THE BEST AND MOST HELPFUL ASPECT OF THIS CLASS is something I think should be told to COM 101 students: The point of a communication major is to LEARN TO SOLVE PROBLEMS IN COMPANIES AND COMMUNICATION IS NOT A THROWAWAY MAJOR.
The professor worked with the students and their other lives to balance a good classroom experience
Class was always interesting and helped keep attention throughout the lesson. This made concepts easier to understand and apply to class.
The leadership theories really helped me understand different types of leaders.

His open lines of communication.
If I wasn't a senior, I would ask that every other class I take in college be taught by Dr. Lane. I will never forget his kindness and how great of a teacher he is. He made learning fun and enjoyable, and somehow catered to all learning styles, which is rare
