Which aspects of the course were most helpful? Why?

Comments
Dr. Lane teaching, I would not have been successful in this class without his guidance. Dr. Lane also responds to questions in a very timely manner.
The powerpoint slides going over the readings that we previously had. This helped me to put things together on what I read versus what I was supposed to learn from the readings. I enjoyed this class being seperate from the PHD people because I felt like I was able to learn properly.
I feel I have a much stronger understanding of metatheory and theory now :)
the format of the class was very clear with a weekly review of the various communication contexts and relevant theories
How efficient and timely Dr.Lane responded to questions. Its not easy being my professor with so many questions.
Derek Lane is a GOD.

Which aspects of the course would you change? How and Why?

I wouldn't change anything.
more cookies from Dr. Lane's wife :)
I don't see anything that needs to be changed.
I would make Derek Lane the permanent communication theory professor. Outstanding job.

He answered email fast, would zoom with any student after office hours to help with tough assignments, very understanding with extending deadlines when needed.
His understanding and willingness to always be available. This provided me with the right mindset to continue wanting to pursue this degree.
Dr. Lane was extremely helpful and accessible. The course content was delivered in a very high quality way
Clear presentations in class with the inclusion of a slideshow. Giving the students access to the slides is also very helpful to me, because it allowed me to follow along through the long class period.
He was timely in response along with making sure i was reaching my best academic work.
Derek Lane is too good for this planet.

Maybe have the files in Canvas a little bit more organized, I had a hard time finding some stuff occasionally.
I wouldn't change anything! Great professor!
maybe asking more questions about the reading
